### **Thought for the Week: The Art of Listening.**

The Lord wants us to work on his behalf, but he also wants us to listen to him. Jesus understood that his visit to the home of Martha and Mary was a time for them to refrain from activity so as to listen to his word. Jesus had something to say and he wanted them to listen. Jesus wanted on this occasion, the hospitality of listening rather than the hospitality of activity. Wisdom consists in knowing when it is time to be active and busy in the Lord's service and when it is time simply to sit and listen to his word.
