Change of Morning Mass - Caherdaniel Parish

The usual **Tuesday morning Mass in Caherdaniel Parish will now take place on Thursdays**, for the foreseeable, beginning this week. The time remains unchanged — **10:00am**, or **9:30am** if it falls on a **Holy Day**. We thank you for your understanding and support with this change. The Holy Mass is a sacred time of grace, prayer, and communion — a beautiful gift in our week. Let us treasure it deeply and be mindful of those in our community who may need a helping hand to attend. If you're able to offer a lift, or know someone who might appreciate one, your kindness could make all the difference.

The Assumption of the Blessed Virgin Mary

As Parish we will celebrate this most beautiful and principal feast of Our Lady. It commemorates two events: Mary's departure from this life and the assumption of her body into heaven. For each of us, the Assumption fulfils the promise of Jesus "I go to prepare a place for you." (John 14:2) Mary's Assumption places hope in our hearts, that we too continue to walk the path of life, strengthened by our baptismal promises, heartfelt commitment and the power of our faith, we look towards the beauty of heaven; for where Mary has gone, we too will follow. May our celebrations of the Holy Masses for the Assumption bring our Blessed Mother's maternal protection and blessing to you all, and especially for all living away from the parish at this time

St Finian's Graveyard Mass

We warmly invite all parishioners and visitors to our **annual St Finian's Graveyard Mass**, which will take place on **Friday, 15th August at 7:30pm**. This special evening is a time to honour our beloved dead, to once again **bless their sacred resting places**, and to offer prayers for **hearts that continue to grieve** their passing into eternal life. It is also a moment of reflection and gratitude for those who **support and journey with the bereaved**. May this gathering be a time of peace, remembrance, and shared hope in the beauty & power of the Resurrection.
