The paradox of Today!

We have more medicines, but less health.

We have finer houses, but more broken homes.

We can reach the moon and come back,

But we find it troublesome to cross our own street

And meet our neighbours.

We have higher incomes, but lower morals.

We have added years to life, but not life to years.

We have more leisure, but less good fun.

But if we have God in our life, food on the table,

A roof over your head, clothes on your back,

A reasonable income, and love and faith in your heart

Be Happy and glad.

A rick person is not one, who has the most,

But one who needs the least.
