#### Thought for the Week: Greed.

Today's readings caution us about greed and the hold possessions exercise over the human heart. Greed and meanness are not confined to the wealthy but the most common of human failings and all of us can become victims of them in our struggle to earn our daily bread. They spell disaster for us and blind us as to where true values lie. Happiness does not come from having what we want but being content with what we have.

#### Seanfhocail:

An t-airgead is a lorg a chaillean an t-anam.  
He who seeks money loses his soul.
