### Thought for the Week:

#### Waiting

Jesus is teaching us how and where to wait. He is inviting us to be present to the One who is always already present. He's inviting us to listen for the knock, to watch, and to be alert. He's inviting us to be present to the reality of God in each other, in the world, and in ourselves. This is the God who is present in the ordinary circumstances of our lives, even in our waiting.

### Seanfhocail:

Gheobhaidh foighne forthacht.  
Everything comes to the one who waits.
