Reflection

When Life feels a lot
take a deep breath and remind
yourself that it’s okay to feel
overwhelmed – being
human means carrying
many emotions at once -
and sometimes they
get heavy. You don’t
have to have it all figured out today.
Be gentle with yourself.
Be patient.
Reach out.
You don’t have to carry this alone.
What’s the next kindest thing you can
do for yourself?
Do that.
And remember – this too shall pass.
~Helen Marie

The most beautiful people
we have known are those who have known defeat,
Known suffering, known struggle, known loss,
and have found their way out of the depths.
These persons have an appreciation, a sensitivity,
and an understanding of life that fills them with compassion,
gentleness, and a deep loving concern.
Beautiful people do not just happen.
~ Elizabeth Kübler-Ross
