Saints for Today

Carlo Acutis & Pier Giorgio Frassati

We rejoice in the canonisation of two remarkable young saints: **Carlo Acutis** and **Pier Giorgio Frassati**. Though from different times, their lives echo the same vibrant message—holiness is possible in the modern world, especially for the young. Carlo, a teenager passionate about the Eucharist and technology, used his **gifts to evangelize online**, reminding us that faith and the digital world are not opposites. Pier Giorgio, a university student and lover of the outdoors, **served the poor with joy**, showing that holiness is not about being removed from the world—but fully alive in it. Their stories remind us that sainthood is not reserved for the extraordinary, but for anyone who lives with courage, love, and faith—right here, right now.

"Our goal must be infinite, not the finite. The infinite is our homeland. Heaven has been waiting for us forever."

Carlo Acutis

When God is with us, we don't have to be afraid of anything.

Pier Giorgio Frassati
