### Thought for the Week: God calls me to be a steward.

The Gospel uses the image of a steward to describe our place in this world. A steward is entrusted to care for the master's property until his return. Time on earth is limited, and we will eventually need to give an account of our stewardship. Pope Francis reminded us that "in the end, everything has been entrusted to our protection, and all of us are responsible for it. Be protectors of God's gifts".

**Seanfhocail:** Is fear deimhin na díoma.  
Better to be sure than sorry.
