There is Power in Prayer

In this Sunday's Gospel, Jesus tells the parable of the persistent widow who never gives up seeking justice from an unjust judge. Her determination leads to results—not because the judge is righteous, but because she **refuses to lose heart**. Jesus uses this story to teach us the power of **persistent prayer**. "Will not God see justice done to his chosen who cry to him day and night?" He encourages us to pray always and never give up, even when answers seem delayed. Let us be people of faith who trust in God's timing, remaining steadfast in prayer and hopeful in heart.
