*You think this is just another day in your Life....*

*This isn't just another ordinary day it's a unique and precious gift,  
the only moment you truly have.  
The proper response to this gift is gratitude.  
If you treat today as both the first and the last day  
of your life, you'll live it well.*

*Start by simply noticing — open your eyes,  
be amazed at the world around you: the colors,  
the sky, the ever-changing weather.*

*See people's faces, each carrying deep stories and histories.  
Life is all around you, flowing into this moment — all you  
need to do is open your heart and truly take it in.*

**Mission Sunday**

We are all called to the Missionaries of Hope. Pope Leo said ...  
“Your prayers, your financial support will help spread the Gospel, provide for pastoral and catechetical programs, help to build new churches, and care for the health and educational needs of our brothers and sisters in mission territories.!”  
**The Mission Sunday Collection in 2024 amounted to €1,423.453.**  
**Thank you for your great generosity.**
