### **A NOTE FROM FR. JIM.....**

During the week a friend sent a beautiful picture of two children helping each other with the caption "When you ask God for a gift, be thankful if he sends, not diamonds, pearls or riches, but the love of real true friends." As the month of the Holy Souls draws to a close I want us again to ponder on that Church idea called 'The Communion of Saints' which simply means - The Church Is one family. The Communion of Saints refers to the spiritual solidarity among all members of the Church - those on earth (The "pilgrim Church"), - those in purgatory (The "suffering Church"), and those in heaven (The "glorified Church"). All are united in Christ, all participate in His life, and all support one another in love. When I looked at that beautiful picture and caption on how 'the love of real true friends' is more precious than all the money and gold in the world I had to admit that I've definitely seen it in action recently in our community. How you have supported one another in love in two ways. 1. The great attendance at the Holy Souls masses during November (taking Care of our dead) and 2. The incredible generosity and support shown by so many at our annual bazaar last Sunday. The bazaar again this year was a fantastic success in monetary terms but the sense of community and good will it generates is the greatest gift of all. I'd like on behalf of the Parish Council to sincerely thank everyone who supported us in any way over the past number of weeks and on the day. I'd like to thank personally the parish council themselves for going beyond the call of duty and working so hard for the greater good of this great community. This is the Church in action, this is the Communion of Saints lived out. Thank you.
