Reflection: During these days of November so many people remember their loved ones who have died. It is a beautiful tradition. It is done in lots of meaningful ways and it is always done gently, slowly and is always done in our own special and unique way. Here is a prayer used as part of our Novena to the Holy Souls.

*May our departed loved ones, O Lord
go on living in our hearts and memories.
May they go on living in the quiet courage
of our actions and the gentle strength
of our convictions.*

*May they go on living in the bonds of
family and friendship and affection that
they forged among us and the love they
have left us an eternal legacy.*

*May their names be ever honoured
and their lives be ever celebrated.*

*May they go on living in us, in all that we
are and in all that we do.*

*Eternal rest grant unto them O Lord,
May they rest in peace. Amen*
