- **Thought for the Day: The Baptism of the Lord, 11 January 2026**  
*Beginning here we glimpse the Three-in-one; The river runs, the clouds are torn apart, The Father speaks, the Spirit and the Son Reveal to us the single loving heart That beats behind the being of all things And calls and keeps and kindles us to light. The dove descends, the spirit soars and sings 'You are beloved, you are my delight!' In that swift light and life, as water spills And streams around the Man like quickening rain, The voice that made the universe reveals The God in Man who makes it new again. He calls us too, to step into that river, To die and rise and live and love forever.*
