**Parish Envelopes:**

Envelopes are now available for collection in the parish office. Renovation works in the Church are now nearing completion. The project has included re-tiling the floor, refurbishing the pews, and replacing the heating, lighting, electrical, and sound systems. These improvements were vital to ensuring the safety, comfort, and longevity of our sacred space

Naturally, such extensive work carries considerable cost. To meet the remaining financial commitments and to keep the parish on a stable footing, we now need to strengthen our regular income.

For many years, the typical weekly contribution has been around €5. We are sincerely grateful for every euro given, and we recognise the pressures many households face. At the same time, parish costs have increased significantly. After thoughtful review, we are asking parishioners, where possible, to consider increasing their weekly contribution.

Full financial details will be published once the 2025 accounts are finalised. Thank you for your continued kindness and commitment. Together, we ensure our church remains a place of welcome, worship, and hope for generations to come
