### REFLECTION:

Blessed are the faithful: they are like safe anchors in a world of broken moorings.

Blessed are the just: they are to society what leaven is to bread.

Blessed are the generous; they keep alive our faith in the essential goodness of people.

Blessed are the caring: they shine like beacons in a world darkened by indifference. Blessed are the genuine: they glow like gems in a world of falseness.

And blessed are those who, having put their hand to the plough, refuse to look back: they will be found worthy of the kingdom.
