**The Feast of Corpus Christi** celebrates the real presence of Christ in the Eucharist – his gift of  
himself to us in the Bread of Life. It invites us to deepen our appreciation of the Mass, where  
Christ continues to nourish and strengthen his people.

In many places the feast is marked by a Eucharistic procession through the streets, a public  
witness of faith and devotion. While our parish does not have a Corpus Christi procession, the  
feast still offers us an opportunity to reflect of the great gift we receive whenever we gather  
around the altar. The Eucharist is not only a personal encounter with Christ, it also unites us as  
one community, the Body of Christ.

As we welcome Corpus Christi, may we approach the Lord's table with renewed gratitude,  
reverence, and faith. Strengthened by this sacrament of love, may we carry Christ's presence into  
our homes, workplaces, and daily lives.
