“CHANGE”

If you have encountered too many wolves in life, become a shepherd.
 If you have encountered too much loss in life, become a guide.
 If you have encountered too much pain in life, become a healer.
 If you have encountered too much hatred in life, embody compassion.

May we always aim to be the very things that our souls seek.

Hurricanes to hillsides.
 wilderness to waters.
 fires into fragrant fields.

This is where we find comfort;
 knowing that inside us all,
 is the capacity to love.

And where love resides,
 there is the courage to change.
