Feast of Our Lady of Lourdes – 11 February

Our Lady, the Blessed Virgin Mary, appeared to **St Bernadette Soubirous** around 18 times in 1858 at the grotto of Massabielle near the small town of Lourdes in the south of France. The first apparition to this 14 year old girl was on 11 February and the last one was on 16 July. Our Lady asked her to ask her parish priest to have a church built where she was appearing. He and the other religious and civil authorities in the area did not take her seriously until Bernadette told him that the Lady appearing to her called herself the "Immaculate Conception". The religious authorities knew that a poor ignorant 14 year old girl would not have a clue what that term meant and could not have made it up so they took notice of what she told them. A church was soon built on the site and Lourdes became one of the most important Marian shrines in the world, visited by millions of people every year. Many people have experienced healing there over the years.

The Parish Pastoral Council have decided to rotate weekend Parish Masses on a monthly basis for a trial period of six months beginning March 2026.
