Reflection

The most important conversation you'll ever have is the one with yourself. That inner voice shapes how you respond to challenges—whether you give up or keep going, shrink or rise. You can speak to yourself in ways that drain you or in ways that strengthen you. You can let fear narrate your story or you can let faith do the talking. Your outer world reflects your inner dialogue, so choose your words wisely. Change the conversation within, and everything around you begins to change.

Anointing at all weekend Masses, 13, 14 & 15th Feb.
