Come forth!

The best fertiliser stinks. It is out of that very stink that something amazing grows. So it is with us: it is the dead and decaying parts of our lives, the rotting resentments, blistering wounds of old hurts, and festering fears that are the points where we are most likely to be able to experience something new. The only way that happens is to bring them into the light of the day, unbind them, and set them free – just as Lazarus was unbound and set free. ~ *Fr Gerard*

In a world of confusion, Jesus is the clear choice.
