REFLECTION

I believe in death.
 I believe that it is part of life.
 I believe we were born to die,
 to die that we may live more fully;
 born to die a little each day
 to selfishness, to pretence, and to sin.
 I believe that every time we pass
 from one stage to another,
 something in us dies and something new is born.
 I believe we taste death in moments of loneliness,
 rejection, sorrow, disappointment, and failure.
 I believe that we are dying before our time
 when we live in bitterness, in hatred, and in isolation.
 I believe that each day we are creating our own death
 by the way we live.
 for those with faith, death is not extinguishing the light;
 it is putting out the lamp because the dawn has come.

FINAL BLESSING

Lord God, through the resurrection of your Son, you have kindled in our hearts the hope of eternal lives. Guard this hope with your grace, and bring it to fulfilment in the kingdom of heaven. We ask this through Christ our Lord. Amen

God Bless, *Fr. Noel 087-2935969*
