**Holy Week!**

*This is the final week of lent and it offers us an opportunity to bring our hearts and minds into harmony with Christ. Make a special effort to attend the Church Ceremonies, which dramatize the last agonising moments of Christ’s life. Listen to the passion story in a spirit of prayer and embrace it’s message. The truth is that God loves us all with a love that cost him death on a cross.*

**Holy Week Reflection:**

*The word holy means ‘set apart’. Holy week stands apart from every other week on the Christian calendar. The first Holy Week in Jerusalem changed the world, and it continues to change our lives. It is a week which takes us to the centre of who we are.*
