REFLECTION

This week we recall the passion of Jesus. the fact that Jesus could and did suffer, means that he understands our suffering, and gives a meaning to it by showing that it is the price of love and the path to glory. In the fragile humanity which he shared with us, he bore the wounds of love and fidelity. He gives courage and hope to all who suffer, but especially to those who suffer in the cause of right.

God Bless, *Fr. Noel 087-2935969*
