REFLECTION

There is thirst in every human heart.
 Each of us is like that lonely Samaritan woman.
 We are thirsting for something,
 something that will satisfy all our longings.
 But often we search in the wrong places.
 We draw water from many wells:
 the water of praise to quench our thirst for self esteem;
 the water of success to quench our thirst for importance;
 the water of pleasure to quench our thirst for joy
 But we still get thirsty.
 Only god can give us what we are looking for.
 He alone can cause a spring to well up inside us.
 The water from this spring will sustain us
 in our journey to the Promised Land of eternal life.

FINAL BLESSING

We come to you now this Lenten season,
 As we find ourselves needing to take up the staff of pilgrimage once more.
 We are in need of energy and renewed hope.
 We are in need of your grace to unsettle and re-direct our hearts

God Bless, *Fr. Noel 087-2935969*
