### Prayer for the Week

This week we focus on the plight of farmers and those whose work is dependent on the weather. We pray that this unseasonal spell of hard, cold and wet weather lifts as soon as possible and that livestock can get out onto the land. We pray for farmers who are worrying about fodder shortages. We pray that their stressful burdens are lessened as they toil to produce the food we rely on so much as consumers. May God bless all your endeavours.

#### **The Farmer (by Amelia E Barr)**

The farmer's trade is one of worth;  
 He's partner with the sky and earth,  
 He's partner with the sun and rain,  
 And no man loses for his gain;  
 And whether men grow big or small,  
 The farmer he must feed them all.
