Free online Laudato Si' Animators

Program, beginning on April 15th equips
people of faith and goodwill to respond to
today's ecological crisis through personal
ecological conversion, action and advocacy,
rooted in the encyclical Laudato Si'. This
program deepens participants' understanding
of ecological and social realities through the
lens of faith, spirituality and integral ecology,
while offering practical tools to lead concrete
creation care efforts in their communities.

It is a deeply nourishing course and
participants will be part of a national Laudato
Si' Network, supported by Trócaire,
afterwards.

Let's bring Laudato Si' to life, together and
care more deeply for God's Creation!

“Soil, water, mountains, everything is as it
were, a caress of God!” (Laudato Si', 84).
