Pope Leo XIV on X: There is no human experience that God does not redeem. When lived in union with the passion of the Lord, even suffering can become a path to holiness. The grace that converts and transforms life strengthens us in every trial. It does not point us towards a distant ideal, but towards the encounter with God, who became man out of love.

Pope's Intention for April: For Priests in crisis. Let us pray for priests going through moments of crisis in their vocation, that they may find the accompaniment they need and that communities may support them with understanding and prayer.

Thought for the day: How did any of us make the journey towards faith in Christ? No doubt a great part of it is simply what we received, usually from family. At some point, did I make a conscious choice? Perhaps at other times, I felt like walking away from the faith project? What kept me going? Did a more personal ownership of faith result? Perhaps I felt the intuition of John O'Donahue, "Faith is helpless attraction to the divine." In spite of everything, in spite of myself, somehow it is part of who I am. **Prayer:** *Mysterious God, we are those who have seen and at the same time not seen. Help to look beyond the simple gifts of each day to see you the giver behind, and in, every gift. Help us embrace the grace that we may know true blessedness in believing. Amen.* (Fr Kieran O'Mahony)

An Easter Prayer

God, give me the eyes to see the beauty of Spring, and to behold your majesty in every living thing – and may we see in lacy leaves and every budding flower the hand that rules the universe with gentleness and power – and may this Easter grandeur that Spring lavishly imparts awaken faded flowers of faith lying dormant in our hearts, and give us ears to hear, dear God, the Springtime song of birds with messages more meaningful than man's often empty words telling harried human beings who are lost in dark despair – 'Be like us and do not worry, For God has you in his care.
