### The Road to Emmaus.

(By J Michael Sparough. S.J.)

Our eyes falling down to the ground. Our hearts dry as the dust we trample. A stranger joins our journey to despair.

Teasing out the details of what our hope had been, He listens on and on until our grief can say no more. Only then can his words water our withered spirits.

Gently chiding, strongly guiding, weaving a story of glory hidden within fabled prophecies of faith. Later we recall how fiercely our hearts did burn.

But now it is our turn, the time to beg him linger. A request he can never refuse, for his presence is sacred space, every home he visits his sanctuary...

This road we walked with him still beckons ...to journey back from where we once despaired. Our eyes now open in hopeful recognition. ~ Fr Gerard
