Thought for the Week

Discipleship.

There is a strong message coming through in today’s feast of the Ascension. The church must be a community in mission – guided by God’s spirit and confident of God’s protection. Individually and collectively, we are called to make disciples, and the Lord empowers us to do that through his giving of the Holy Spirit. We bring each other to the Lord. We need each other’s witness if we are to become the disciples that the Lord is calling us to be.

We all rely on one another.
