Showing Up.

No matter how you show up, people will see
 you through their lens, a lens shaped by their
 wounds, their longings, their fears.
 By the love they were given or not given.
 By the stories they've told themselves,
 carefully pieced together through years of
 lived experiences.

We can't control how other people see us, we
 can only choose the freedom that comes from
 no longer trying. ~ Helen Marie.

 recognise what is present—without taking
 sides, judging, or grasping."**
