Pleasure

*Go to your fields and gardens and you shall learn
 that it is the pleasure of the bee to gather honey of the flower;
 but it is also the pleasure of the flower to yield its honey to the bee.*

*For to the bee the flower is a fountain of life
 and to the flower a bee is a messenger of love,
 and to both, bee and flower, the giving and the receiving of
 pleasure is a need and an ecstasy. ~Kahlil Gibran*

*"A river cuts through rock not because of its power,
 but because of its persistence."
 ~ James N. Watkins*
