Thought for the Week Eucharistic community.

The Eucharist gives us the experience of ‘encountering the community’. It is the laboratory of fraternity. This is why a Christian can never be content with personal prayer because there are times when the community, Jesus’ friends, gather together to pray. This is the Eucharist. In this gathering, we listen to the Word and nourish ourselves on the Eucharist.

Seanfhocail: Castar na daoine ar a chéile, ach ní chastar na cnoic.
 People encounter one another, but the hills never meet.
