Thought for the Week: Ask the Lord to send labourers to his harvest.

In asking us to pray for this intention, he is asking us to take some responsibility for the important work of his, by showing the same compassion to the harassed and dejected as he did. We cannot pray that prayer Jesus asks us to pray without offering ourselves to God as labourers in his harvest. There is some shepherding role that each of us can fulfil in the service of the Lord’s people.

Seanfhocail: Ag obair as láimhe a céile le Dia.
