Pope Leo XIV on X: It is important to resist the commodification of basic human needs. Food, water and healthcare cannot be subordinated to market considerations or geopolitical interests. Access to adequate food is a fundamental human right grounded in the dignity of every person. Meeting this need not only alleviates suffering but also addresses underlying causes of geopolitical instability. Indeed, food security is an essential component of global and integral security.

St. Mary's Church, Camp will celebrate its 200th anniversary this year. Bishop

Ray Brown will celebrate Mass in St.

Mary's Church on **Friday, July 24th at 7:00 p.m.** Over the coming months, the

Church Community will mark this significant milestone with a series of special events and commemorations.

Throughout its history, many men and women from our parish have answered the call to religious life. As part of our bicentenary celebrations, we would like to honour and remember these individuals, whose vocation was nurtured in St. Mary's. Any details of relatives who joined religious orders, photos etc can be forwarded to brigid.oconnor@yahoo.com

Thought for the Day: We do have the saying, “goodness is its own reward” and that, no doubt, is true. We don't do good to be rewarded but simply because it is good. At the same time, goodness leads to goodness and kindness inspires kindness. This can be true at the most mundane level: if I am courteous and obliging, say, as a driver, perhaps others on the road will be inspired to be obliging and courteous in their turn. It is even more true at a higher level. Generosity of spirit inspires the same in others. **Prayer:** *Help us, Lord, to be kind and generous in our dealings with others today following the example of Jesus. Amen.* (Fr Kieran O'Mahony)
