

Celebrating Community, Heritage & Generosity.

Photo by Ruth Brophy

The recent Iveragh Vintage Club Annual Field Day was a wonderful celebration of everything that is best about our community. Rooted in our rich local heritage and traditions, the day brought together people of all ages to enjoy vintage machinery, farming traditions, music, conversation and friendship. It was a joyful reminder of the values that have always sustained parish life - community, generosity and looking out for one another.

This year's Field Day had a very special purpose: supporting Cialan and his transplant journey. Once again, the people of Iveragh responded with extraordinary kindness and generosity.

On behalf of the Iveragh Vintage Club, sincere thanks are extended to everyone who participated, volunteered, sponsored, donated, exhibited machinery, baked, organised, or simply came along to support the day. Every contribution, no matter how great or small, helped make the event such a remarkable success.

At the time of writing, an incredible €23,600 has been raised, with further donations still coming in. This is a tremendous achievement and a powerful witness to the compassion and generosity that exists within our community.

We also give thanks to God for the gift of fine weather, for the spirit of friendship that filled the day, and for all who worked so tirelessly behind the scenes to make the event possible.

May God bless everyone who contributed in any way, and continue to watch over Cialan and his family in the days and months ahead.
