Celebrating Our Restored Parish Church!

As we gather for the August Bank Holiday week-end, when many families return home to Cahersiveen for the festival, we extend a warm welcome to all who are visiting our parish.

This year, we have another wonderful reason to celebrate. After more than six months of restoration, **The O'Connell Memorial Church** has re-opened, and we look forward to a special **Mass of Thanksgiving on Saturday August 15th at 11 30 am**. Bishop Ray Browne will join us, together with Fr. Seán, Fr David & Deacon Michael O'Connell as we give thanks for the successful completion of this important project.

The Restoration has only been possible because of the extraordinary generosity, patience and encouragement of so many people. We are deeply grateful to everyone who supported the work through donations, fundraising, prayers and practical help. Our beautiful church has been lovingly restored for future generations, and we invite all parishioners, former parishioners, friends and visitors to join us on this joyful occasion as we give thanks to God and celebrate this new chapter in the life of our parish.

Choir practice: Sunday at 12 30 pm in Chapeltown Church in preparation for the Mass of Thanksgiving on the 15th August. All welcome.

Congratulations to Muireann Teahan who captained the winning Kerry Ladies under 18B team last Saturday.

Best of Luck to the Kerry Ladies Team who are playing Galway in the All Ireland Football Final this Sunday in Croke Park. An enjoyable and safe trip to all, who are travelling to the game.
