Thought for the Day: Our conviction is
that God loves us wholly, in the double
sense that he loves us fully and completely
and his desire is that grace should touch
every dimension of our lives. Anyone who
has made the discovery of faith, like the
merchant in search of fine pearls, will
know what is meant: it is so wonderful that
it leads to a discipleship costing not less
than everything. It can be daunting, of
course, but it leads to life in abundance.
Prayer: *God of the covenant, faithful and*
true, you offer us both love and a way of
living. As we embrace your love for each of
us, help us so to live that we may be fully
alive with your Good News. Amen.
(Fr Kieran O'Mahony)

Pope Leo XIV on X: We continue to
follow with concern the events unfolding in
various countries torn apart by war and
violence. Let us not forget those who are
suffering and dying because of these
conflicts and let us add our constant
prayers to the generous efforts for peace.

God our Father, send workers into your

courage to support young people in
searching for and following the call of God
in their lives, Amen.
