God is aware that we are all a mixture of wheat and weed, of good and evil, of strength and weakness and he is patient with our mixture. We too, need to be patient with ourselves and with others. In striving too hard to make ourselves perfect or, more worryingly still, to make others perfect, we risk doing as much harm as good. We need to learn to live with the mixture we and others are, celebrating and working to enhance all that is good there. ~ **Fr Gerard**
