Why Wait!

I think we will all be surprised by who we see when we get to heaven.

We will share the banquet table with many of those we disagreed with on earth.

We will sing hallelujah in the same choir as those who did not look or speak or think like us.

We will walk the golden streets hand in hand with those we called rough around the edges.

We will dance with the sinners whose sin we thought was worst than ours.

*So, why wait until glory?
If we will be family then, we may as well love like a family now.*
