Reflection:

Nothing is too small In the busyness of our daily lives, we often overlook the small things, small moments, the minor tasks, and the seemingly insignificant opportunities that come our way. It's easy to fall into the trap of believing that only grand gestures or monumental moments can bring about real change. All throughout the Bible God used the seemingly insignificant to perform miracles and change lives. Imagine a crowd of over 5,000 hungry people with no food in sight. It seemed impossible to feed everyone with just five loaves of bread and two fish. Yet, when a little boy offered his small lunch to Jesus, it became more than enough. Jesus took what seemed so little and multiplied it, feeding thousands and showing us that our "little bit" can be transformed into abundance when placed in God's hands. God doesn't need us to have a lot; He needs us to be willing to give what we have. We should not underestimate the power of the little things in our lives. Whether it's a kind word, a small act of service, or a simple prayer. In God's hands, nothing is too small to make a big difference.

On behalf of the Kiskeam Development Association, we would like to extend our sincere thanks to each and every member of our community who contributed to making our Pride of Place Judging Day such a special occasion. From those who participated in the events, shared their stories, showcased local projects, prepared venues, volunteered their time, and came out to support the day – your pride, commitment, and community spirit shone through at every stop along the journey.

We hope you enjoyed the day as much as we did and that it provided an opportunity to celebrate all that makes Kiskeam such a vibrant, welcoming, and resilient community. The judges were given a wonderful insight into the people, organisations, and initiatives that make our village a great place to live, work, and belong. The Kiskeam Pride of Place 2026 Booklet will be available in our local shops next week for anyone who would like a copy.

In the meantime, we invite you to enjoy and share our Kiskeam Pride of Place 2026 Video by clicking the link below:
