

22nd Sunday of Ordinary Time

30th August 2026

As the day of resurrection, Sunday is not only a remembrance of a past event; it is a celebration of the living presence of the risen Lord in the midst of his own people. For this presence to be properly proclaimed it is important the disciples of Christ, saved as the people of God, come together to express fully the very identity of the Church (Pope John Paul II Dies Domini, 31).
