Thought for the Week: **Changing our mind and saying 'Yes'.**

Jesus' parable suggests that what God looks for is the final outcome in people's lives. What matters more to Jesus and to God is not where people begin but where they end up. The parable suggests that God can put up with an initial 'no', and a lot of other 'noes' besides, on the way to the final and lasting 'yes'. Jesus invites us to grow into that positive response to his invitation to follow him.
