INTRODUCTION TO THE READINGS THIS WEEKEND

First Reading

As a prophet, it isn't Ezekiel's task to affirm everything he hears and sees. He is commissioned to speak words of warning when such words are needed.

Second Reading

Love is the fulfilment of all the commandments. It follows from this that it is in observing the commandments that we become able to love.

Gospel

Talk to those who are going astray; don't just talk about them! Jesus teaches us that forthright and gentle correction of those who stray can be a concrete manifestation of love.
