FOSSA CLIMATE ACTION

Plastic harms the natural world because it does not break down easily and persists as plastic pollution for hundreds of years. It eventually breaks down into tiny particles that poisons wildlife, chokes waterways and spread toxins through the eco-systems. One small step is all any of us can take so maybe over the next few weeks we could use one or two pieces of plastic less each week Thank you .

REFLECTION

'My thoughts are not your thoughts,
 nor are my ways your ways.
 As high as the heavens are above the earth,
 so high are my ways above your ways,
 my thoughts above your thoughts,' says the Lord.
 How small our thoughts can be.
 And how poor our ways of seeing and judging.
 We think miserly thoughts, and act in miserly ways.
 Why ?
 Because we have small minds and small hearts.
 Lord, open our minds and enlarge our hearts,
 so that we think more like you,
 and act more like you.
 Let us not begrudge your goodness to others,
 knowing that we too are undeserving of your favours,
 And stand more in need of your mercy than of your justice.
 Amen.

FINAL BLESSING

Lord, give us work till our lives are ended,
 and give us life till our work is done.
 We ask this through Christ our Lord.

God Bless, *Fr. Noel 087-2935969*
