FOSSA CLIMATE ACTION

Plastic harms the natural world because it does not break down easily and persists as plastic pollution for hundreds of years. It eventually breaks down into tiny particles that poisons wildlife, chokes waterways and spread toxins through the eco-systems. One small step is all any of us can take so maybe over the next few weeks we could use one or two pieces of plastic less each week. **Fossa Climate Action Leaflet** at back of church, please feel free to take one. Thank you .

REFLECTION

A father had three sons. One day he said to them
‘Go and work in the vineyard today.’
The first said, ‘Sure Dad.’ But he didn’t go.
The second said, ‘ I won’t go.’ However later in the day
he changed his mind and went grudgingly
The third said, ‘Sure Dad.’
and he went immediately and willingly
Which of the sons will he feel closest to
at the end of the day?
The third, of course.
the more we do the will of God out of love,
the more he will appreciate his love for us.
Lord, save us from the darkness of broken promises,
and help us to walk in the light of faithfulness.

FINAL BLESSING

Lord, grant that what we have said with our lips,
we may believe with our hearts
and practise with our lives.
Through the same Christ our Lord.

God Bless, *Fr. Noel 087-2935969*
