REFLECTION

'O that today you would listen to his voice.
Harden not your hearts.'
From a spiritual point of view, hardness of heart is one of the worst things that can happen to anyone. To adopt a hard hearted attitude is to maim oneself. A hard heart can't feel, can't respond, can't love. A hard heart can't experience joy. A hard heart is a closed heart. A hard heart is a barren heart. A soft heart on the other hand is a blessing. A soft heart can receive and can respond. It can be saddened but it can also be deliriously happy. Softened by the rain of God's grace, and warmed by the sun of his love, the human heart can be turned from a desert into a garden.

FINAL BLESSING

Lord, grant that what we have said with our lips,
we may believe in our hearts,
and practise in out lives.
Through Christ our Lord.

God Bless, *Fr. Noel 087-2935969*
