BEING HUMAN

Being human mean living in the space between
beauty and pain - to love deeply, to lose, to
hurt, to love again.
To mess up and still try to make it right.
To stumble through the chaos of it all, learning,
letting go, forgiving, breaking open, and
gently evolving.
It’s feeling everything, the longing, the joy, the
quite magic of ordinary moments.
We’re all just trying.
We’re all just finding our way.
Being human.
