Pope Leo XVI on X: I am looking forward to returning to the continent where I've experienced so many moments of my life. May this journey be an occasion for us to open our hearts to one another, strengthen our communion as brothers and sisters, and renew our commitment to proclaiming the Gospel with joy.

Thought for the Day: Today we celebrate the community of faith, being in communion with all the saints, a day of both thanksgiving and vision. Thanksgiving because of the example and inspiration of the saints, who have come to maturity, to the measure of the full stature of Christ. (Ephesians 4:13). Vision because our Gospel today describes the path we must take to make the same journey home to God. If we wish to join the saints both now and into eternity, we must make our own the "mission statement" of Jesus, which is the Sermon on the Mount and especially the opening invitation to true happiness. **Prayer:** *Jesus you are our teacher within and today we ask your help. Just as you have brought our brothers and sisters to full maturity in you, so also guide us and be with us as we walk your Way. By your grace, may we too be counted among the saints in the present moment and in the life to come. Amen.* (www.tarsus.ie)
