Reflection:

'Gratitude heals'

A lovely way to end each day is to switch off the invasive distractions of television, radio or computer so as to allow yourself the gift of a silent space. Reflect on the day now ending. Focus on the nice moments, some glimpse of beauty in a person, in nature, in some happening. These are gifts from God that often go unnoticed. Focus with gratitude on one gift for each day. Gratitude is one of the most healing powers in life. The American writer, John Shea, said that the best preparation for heaven is the capacity for surprise. Whoever belongs to the Kingdom of God has eyes open to goodness and ears that are deaf to grumbling. One is constantly amazed and never bored. The soul is full of wonder and praise. Why be envious when God is generous to others? "His goodness shall follow me always, to the end of my days."

Rosary Volunteers Needed Boherbue Church

For the past ten years, the Rosary has been recited in Boherbue Church, before each Mass. From the beginning, we have had 12 volunteers for the week-end masses. This means that each volunteer has taken responsibility for one month per year. Unfortunately, in recent times the number of volunteers has been reduced so we urgently need new people to replace them.

If you would like to participate in this ministry or if you know somebody who would, please hand in your name and contact number to the Parish office or phone Mary at (087) 7461802.

Kiskeam Social Action group have a vacancy of a one bedroom Sheltered house. Please contact any member of the committee if interested.
