Thought for the Day: The image of the king is a foundational metaphor in the Bible, which in ordinary usage suggests power and glory. But even in the ancient biblical tradition, there are two significant modifications. According to an Old Testament vision, a king is meant to be a shepherd to his people, a true shepherd who cares for and who knows and even loves his sheep. According to a New Testament vision, Jesus our king rules paradoxically by loving service, humility and the gift of himself. This example and teaching of Jesus have lost none of their power. Prayer: Wake us up, O God, and rouse us from the slumber of the everyday that we may recognise you in every moment and in every person, each day of our lives. Amen (www.tarsus.ie)
